2023

Making Change in Maryland

Thank you for your interest in supporting the AFP Maryland Chapter!

This year, the chapter has a goal of raising \$20,000 in sponsorship and your support is critical to the success of our chapter. Sponsorship enables us to offer innovative programming, professional development opportunities, and a network of support for our members.

We're continuing to increase sponsor benefits by combining opportunities across all of our events to increase visibility of your organization's generous support.

Statement on Diversity, Equity, & Inclusion

The AFP Maryland Chapter is committed to diversity, equity, and inclusion across the organization where all members, regardless of gender, race, ethnicity, national origin, age, sexual orientation, or disability, feel valued and respected.

About AFP Maryland

The AFP Maryland Chapter is committed to convening development professionals across the central Maryland area and equipping them with the knowledge and resources to adapt to changing times.

Dues from our members and registration fees for our paid programs subsidize AFP Maryland's professional development offerings, but sponsorships and gifts ensure our chapter can equip local nonprofit leaders to strengthen their communities.

With your support, we can amplify the impact of thousands of mission-driven nonprofits and empower fundraisers to be change agents in the philanthropic sphere.

Partnerships enable us to:

- Create a network of over 300 fundraising professionals who collaborate to share resources and effect lasting change.
- Offer the professional and volunteer fundraising community exceptional opportunities for continuing education, professional advancement certification, and exchange of relevant information.
- Provide a framework for ethical fundraising that evolves to reflect the contemporary moment and offer transparency and support to our members and community.
